

Dickson County Tennessee Receives Reimbursements in Excess of \$50,000.00.

Frank Carcione, Vice President of Correctional Risk Services, Inc. presents Dickson County Sheriff's Department, Chief Deputy Vance Bowker with one of several checks totaling \$59,856.88. These reimbursements were for eight inmates whose claims exceeded \$10,000.00. Chief Bowker stated that CRS's Inmate Excess Medical Insurance was like a parachute. "You hope you never have to use it but you're glad you have it when you need it!" We at CRS couldn't agree more.
